Thomas Kinkade, the celebrated Painter of Light, is the most widely collected artist in the world. His tranquil, light-infused paintings affirm the basic values of family, home, faith in God, and the luminous beauty of nature.www.thomaskinkade.com

I buy a Thomas Kinkade calendar every year b/c I just LOVE his work so much! This year's calendar doesn't disappoint at all! I love that a lot of the art is not works that I'm familiar with, so I get to gaze upon new works of art every month. Additionally, the scripture is a nice touch! It's your typical wall calendar size, with blocks large enough to write a couple of appointments on. If you're a Thomas Kinkade fan, I highly recommend this calendar!

The calendar is beautiful. But I have a wood frame I purchased several years ago so I could hang the calendar on the wall which looks much better than just the calendar hanging on the wall. I didn't know that all calendars were NOT the same size. When the calendar came and I tried to put it in the frame it was smaller than the frame and would not work. It left over an inch on each side with the back of the frame showing and it was also shorter than the frame. I will use it hanging on the wall

even though it doesn't look good. I refuse to pay another 18 for a calendar the right size. Don't understand why the calendars are not all standard size to fit the frame.

The old person that I bought this for loved it. I wish there was a way that you could tell that you are NOT buying something for yourself so that I could STOP getting suggestions to buy stuff that I would never purchase for myself.

What can one say about a Thomas Kinkade picture except pure Master Piece!! Well, looking at the Master Piece each month is to rave about!! It is pure beauty. I must say I have to get one every year because I love his art!!

Beautiful artwork with vibrant colors. Thomas Kinkade shows off his talent in this organizedcalendar. It's nice to display anywhere.

I get these calendars every year for my wall frame. They are a beautiful addition to my office!

I am kind of embarrassed admitting that I actually purchased something associated with Thomas Kinkade. Beauty is in the eye of the beholder. We enjoy some of his works in the powder room so we must get a new T.K. calender each year to match the decor.

What can you say. Those who appreciate the artist will enjoy this calendar.....looking forward to 2017, Happy New Year!!
