Customer Reviews

Mr. Henry Epps may have a future in writing. Mr. Henry Epps has some good grammatical skills in writing (it is an easy read). It would be a good thing if he read the books by John Calvin and Jacobus Arminius. He (Mr. Epps) needs to give credit to those he quotes. There are too many quotes in his book with little to no footnotes where the quote came from. The author may not want us to know if he is mis-quoting Arminism. A good Arminius (Wesleyan) position would be, "The Heart of The Gospel" by Robert E. Coleman. Heart of the Gospel, The: The Theology behind the Master Plan of Evangelism. A good Calvinist position would be, "Evangelism and the Sovereignty of God" by J.I. Packer. Evangelism and the Sovereignty of God. Let me quote another review about this author's writings (Mr. Epps): "In the end, it is rather sad to realize that the author may not pay close attention to (or may even doesn't give a hoot about) what sort of 'books' it undertakes to sell directly to its customers. This 'book' purchaser beware!" Your brother in Christ, Jerry
