The book also comes with 40 stickers and six awesome character pencil toppers. Disney Moana Born to Voyage by Parragon Books is the perfect way to entertain the kiddos on car trips and quiet time at home. My daughter had a blast going through this book and can't wait to see the movie. Disney Moana Born to Voyage by Parragon Books would make a great gift this holiday season! Disclosure: I received product(s) for free, in exchange for my honest review. I only recommend products I've used personally, and believe will be good fit for consumers.

This is a small paperback activity book packed with stickers, activities and pencil toppers. There are tons of activities that are probably for ages 6 and up as they may be hard for smaller kids to complete on their own. This is a great book to keep in a bag or the car for on-the-go fun. You also get a Free Disney Digital Storybook to use on Disney Story Central App. This is great to build a library on the app.

Disney Moana Born to Voyage is a fantastic activity book for kids. The book includes puzzles, mazes, lots of stickers and six press-out character pencil toppers. Kids can also enjoy coloring in the characters. A fun book to have. This book makes a great gift. Disclosure: I received this book for free, in exchange for my honest review.
