Customer Reviews

I really like this book. Every page contains awesome quotes from various New Thought authors. My only wish is that, if a second edition is published, they include with each quote the New Thought author they are quoting. I recognized some quotes; others, I did not. I, personally, like to go back to the original work from which the quote was taken, and read the entire piece. Other than that, this is a great book on the power of I AM.

This is really powerful stuff. I've been doing A Course in Miracles for the last three months and things I've read about for decades have been (finally!) sinking in with meaning. An interesting series of events over a half hour brought me to discover this book while looking for another similarly titled one for a friend who had asked. I'm glad it caught my eye. I'm glad I bought the Kindle edition so I could start reading it right away. Everything in this inspired book is edited to the essentials for the sole purpose of the book's title. I have recognized some passages from books I've read over the years. Some are dazzlingly new. All are on point. The first few pages brought it home for me and each page more drove it deeper. The tone, quality, and direction of my prayer life has completely changed. I know who I am. I know what I'm for. I can see that the reading I've done over the last half year have been bringing to this point. This is the book that Spirit directed to me to bring it together. I'm so grateful.

This is the Truth I have been seeking for years. I haven't finished it, because I like to meditate on the Truth and understand why, before I learned these things, my life had a lot of suffering and challenges. I recommend this book to anyone who REALLY wants to understand the TRUTH.

I have been reading this book regularly since I got back in July of 2015. I just want to say thank you David Allen for releasing this book. It has changed my life.

David Allen has compiled a masterpiece! He has truly taken the BEST writings on the subject from several authors and delivers to us the truth about ourselves. There is only ONE power. Discover "I AM" and the Power you possess! You will cherish this book. Priceless!

Amazing book! You have to read this one with your bible as a reference because what it has to teach is powerful and true. You have to be willing to change the perspectives that you've been conditioned with, and open your "eyes" to what Spirit is really telling us.

Arrived soon in excellent condition. This book is packed with outstanding quotes from several authors generally classified as New Age thinkers...mind-boggling life-changing information. A truly great book compiled by the wonderful David Allen, who has the gift of true understanding of the Law of Attraction.

For anyone seeking to improve their life, seeking to understand who they truly are....this is foundational. Easy to read and understand. A must have for the expanded soul's journey.
