Twelve Ordinary Men: How The Master Shaped His Disciples For Greatness, And What He Wants To Do With You

Synopsis

Contrary to popular belief, we do not have to be perfect to do God's work. Look no further than the twelve disciples whose many weaknesses are forever preserved throughout the pages of the New Testament. Jesus chose ordinary men - fisherman, tax collectors, political zealots - and turned their weakness into strength, producing greatness from utter uselessness. MacArthur draws principles from Christ's careful, hands-on training of the original twelve disciples for today's modern disciple - you.

Customer Reviews

John MacArthur is the pastor-teacher of Grace Community Church in Sun Valley, California, president of the Masterâ™s College and Seminary, and featured teacher with the Grace to You media ministry. In more than four decades of ministry, John has written dozens of bestselling books, including The MacArthur Study Bible, The Gospel According to Jesus, and Slave. He lives in Los Angeles.

Well written, easy to read, and full of good information. This book presents the apostles as Jesus saw them and as they were, twelve ordinary men.

We are doing this in Discipleship Training at our church. It is clear and concise and full of information about the disciples. He takes each one and goes into his personality and the shows how

God used each ordinary man in miraculous ways.

This book has an in-depth analysis of 12, the author presents a scintillating account, and describes how each one was ordinary but unique and fit for purpose. This is a great text for all those who want to understand in depth the Lord's interaction with His disciples.

Another excellent study book by J. MacArthur. A lot of background study, especially the early church fathers has greatly enriched our knowledge of the apostles.

This was my first study, an in-depth look into the lives of the disciples. Dr. MacArthur's writing style is easy to follow and he provides great insight and illustrations into how God uses ordinary men to do extraordinary things according to His sovereign plan.

Excellent! I learned so much about the disciples when I read this book. I highly recommend this for everyone.

John MacArthur is a Bible teacher that can be trusted to have keen spiritual insight because of his biblical studying. He has an excellent delivery and this book shows it.

Great product, Good buying experience.
