Great calendar...love the different views and added biblical verses... really gives a sense of how just amazing and vast the universe is... the boxes for days have white background and are big enough to make small notes for that day... all in all very nice calendar... looks great on my wall...)

Fantastic images and through-provoking scripture passages. The added graphics are a bit cheesy - would prefer to see the calendar portion done in a simple black and white rather than orange and purple. Holidays are noted for US, UK, Canada, Australia and New Zealand. Will definitely watch for this calendar again for 2017.

Great, high quality prints. None of the blurry Hubble images used. As a Christian who loves space and astronomy, I've always looked for something like this, so glad to have found it!

This calendar is beautiful! I bought three. I love it and so will my Friends.

Pictures are great. Love having scripture with them.

Received it in a timely manner. Photographs are beautiful with inspirational scriptures . Very pleased!

So beautiful, great item
