## Synopsis

Is God Really Speaking? Yesâ "and you can learn to hear Him. Today, many are skeptical that God is speaking or that we can know with certainty we're hearing Him accurately. Hearing God's Voice Made Simple makes the case that God is speaking and that we can learn to hear Him. As you read this book, you may even discover that He has been speaking to you all along but you simply didn't know how to hear Him. The author provides Bible-based teaching along with plenty of testimonies and illustrations. With the same straightforward, down-to-earth style used in the best-sellers Divine Healing Made Simple and Seeing in the Spirit Made Simple, Praying Medic teaches about the many ways in which God speaks. Youâ "ll find practical exercises at the end of key chapters to help develop your ability to sense what God is saying to you. Whether youâ "re skilled at hearing Godâ "s voice, or more of a novice, this book will show you ways of hearing from God that you may not have consideredâ "and youâ "ll also learn what to do with the things God says. This book is part of a series called The Kingdom of God Made Simple â " a self-study course designed to train believers to live the life offered to them as heirs of God's kingdom. ## Customer Reviews

Awesomeness in every chapter. I learned God communicates in ways I'd never thought of. It's not one of those books that left me feeling disappointed or discouraged about my own walk with God. Challenged, but not wondering, "How come God shows other people so much more than me?" I saw results after only a few chapters. I'm remembering dreams again after a long dry spell. I was actually disappointed when I reached the end of the book. I also greatly admire his writing style. Well done.

I like the author's style, and it is obvious that this is a blessed work. 1 example: as I was reading I was wondering why I had been praying for someone for nearly 12 years with no (or negative) results. The answer was given in the text, and as I wrote it in my notes I noticed that the answer appeared on the location (kindle page number) that was the year of their birth! This truly was meant for me.

Totally absorbing information, easy to follow and powerful! Great read

Excellent. Clearly describes the ears that hear the Spirit, vs the ears that hear physical sound! Succinct, easy read, with loads of personal examples. Ears on the outside of the head hear physical sound.... yet, Jesus said, "Let He who has ears to hear, let him hear." Mark 4:9. He told them to HEAR! Focus your heart and intention upon hearing and doing.

Awesome book. The author went into details and explain everything according to the Bible. I like the Book because everything he say about hearing God voice is accurate. You can just feel the word of the author expressing. And that's the Holy Spirit. You have to read the Bible in be in the word in order to hear the Lord voice. And to discern his voice and stay in prayer.

This book has helped me understand that hearing from God is more prevalent and easier than I thought. After reading this I realized that he is and was always talking to me even when I wasn't aware of it.

As always, The Praying Medic brings clarity to biblical truths.

Great insight into hearing and recognizing the voice of God. I would definitely recommend this book! It's practical and unconventional.
