The Blood Covenant

Synopsis

The significance of the Lord's Table is understood fully by very few. The truth, hidden away in the memorial of the Lord's Table, and forming the foundation of it, is of such a nature that your heart will thrill in response to the possibilities that present themselves, and will stir you to lay hold on the same power and victory and miracles that become a part of the every day life of the apostle. The Bible is composed of two covenants, contracts or agreements. The first covenant was between Abraham and Jehovah, and was sealed by circumcision. This New Covenant is sealed with the blood of Jesus Christ, God's own Son. It is impossible to describe in words what the Blood Covenant will mean to you once you understand it. This best-selling book is a must for every sincere Christian!

Dr. E. W. Kenyon (1867-1948) was born in Saratoga County, New York. At age nineteen, he preached his first sermon. He pastored several churches in New England and founded the Bethel Bible Institute in Spencer, Massachusetts. (The school later became the Providence Bible Institute when it was relocated to Providence, Rhode Island.) Kenyon served as an evangelist for over twenty years. In 1931, he became a pioneer in Christian radio on the Pacific Coast with his show Kenyon's Church of the Air, where he earned the moniker "The Faith Builder." He also began the New Covenant Baptist Church in Seattle, Washington. In addition to his pastoral and radio ministries, Kenyon wrote extensively.

This man's writing is amazing. I had never heard of him and even though he died a long time ago (1940's I think) his message about the Blood of Jesus is still relevant, especially so today when so many preachers are afraid to preach about the blood. This man has a lovely writing style that makes doctrine easy to understand. This is the kind of book that change a person's life.

Revelation! that is what is inside of this little book. Revelation truth about the blood covenant that we have with God thru the blood of Jesus. Please click and buy a copy for yourself.

Highly Recommend!! Every Christian should read this. I fully understand the covenant I have with God now. It was hard to understand the reasoning behind the animal sacrifices for the coverage of sin for the people before, but now I fully understand. Very good

This saint's insight into the heart of God towards His people is uplifting and liberating to those who dare to receive it. I know that the modern-day Word of Faith movement has hijacked Kenyon's affirmative message and adulterated his original intent, which is unfortunate, for he is no longer around to refute them. It has been a faith builder for me since I received it from a fellow missionary while in Africa.

this is my 2nd copy!! i loaned out my 1st one and wanted to reread it....so packed full of truth of what Covenant relation is and what riches in Christ Jesus we have because of the Blood Covenant. Every believer needs to understand this and this little booklet is very simple in explaining.

Such a great book teaching us on our blood covenant in Christ.

E.W. was the torch bearer for the Wommacks, Copelands, Blakes and Savelles of today. He spoke the truth of God's word during a time when few people were involved with that truth. This shed a whole new light on the deep meaning behind the communion and the promises of the New Testament.

This book is a quick read. For all its brevity there is an awful lot in this book to digest! I recommend a good scan first to get the idea of what the author is writing about. Then get out your Bible and do a careful reading of the book. You may want to read it again and again after you have a chance to

meditate on what the author has to say. Definitely recommended!
