Customer Reviews

Jess Keating is a zoologist-turned-author who writes with the sort of wisdom you can only get from multiple crocodile bites and skunk sprays. Jess has been making up stories for as long as she can remember, and at the age of eight, she even started a library in her room (mainly so she could charge her brother late fees). She lives with her husband in Ontario, Canada, where she is hard at work on her next book in the *World of Weird Animals* series.

Jess Keating is quickly becoming one of those authors whose books I'll buy no matter what. What Makes a Monster has all of the charm, facts, and engaging photos that Pink Is for Blobfish had, with the addition of a thought-provoking section on what exactly makes these animals so scary to us. Another home-run hit for the nonfiction genre!
