The Complete Girls Of Grace: Devotional And Bible Study Workbook

Synopsis

This two-in-one special edition offers devotional messages and interactive Bible studies from point of Graceâ”the Christian pop musical group sensationâ”that will get young women thinking on their own and growing in their faith. In this comprehensive and accessible inspirational workbook, the members of Point of Grace provide young people with real answers to the issues that are most important to them at this crucial juncture of their lives. Covering topics like self-esteem, body image, dating, and friendship, the Point of Grace girls are a mom-trusted group, full of sound, faithbased advice. Along with the twenty-four devotional readings written by the Point of Grace girls, readers will also enjoy an interactive Bible study guide that is designed to help readers connect with God, grow within themselves, and deepen their Christian values.

Point of Grace is the multiple Dove Award-winning and Platinum-selling Christian vocal group. Comprised of members Denise Jones, Shelly Breene, and Leigh Cappillino, Point of Grace has been sharing faith through song for more than fifteen years.

The girls were excited to receive their new books, but our girls are both on different reading levels to include different reading comprehension....I have done several adult bible studies (Beth Moore) and I find this book more on an adult level labeled "not easy read".I wanted a devotional that would not make studying the Bible seem so much like work. I feel to get the benefit from this Devotional, we

will have to do it has a family. Doing a devotional with the family is not bad thing, just not the reason I ordered this book. I ordered the book because it had Beth Moore's endorsement, but Beth Moore is very deep and thorough on an adult level and sorry, but these authors are just not Beth Moore. I recommend anyone that is more mature in their spiritual walk use this devotional. However, for a beginning christian, not so much. Thanks to the authors for being willing to write such a book; not my thing which is why I depend on authors....so wonderful that the authors are following God's calling....Try it, your spiritual needs may be different than my household. My daughter & a few of her friends decided to try this study as they were entering high school. It has brought up some good discussions around their growing faith, dating, gossip, friendships, etc. Myself (Mom) and two other mothers take turns leading it. I would recommend it to others!

I have been doing this study with my two teenage daughters and I really enjoy it so far. We have just completed Week 3. The first 3 weeks are about your relationship with Christ and how you can develop it. The first week was an invitational week, for those who may either be newly Christians or searching. I am looking forward to completing the study with my daughters and hope that it will not only draw them closer to God but will also strengthen our relationship.

There was no information given about the age this book would be appropriate for. I purchased it for a young adult who has completed a year of college. It is too young for her. She is going to try to use it a little anyway. It seems like a good book but it is more appropriate for someone younger.

Great middle school Bible study!Is 2 Bible studies in one! Great value!!!!Covers relevant issues that middle school girls face daily!!!!

We've just begun a new group for 13-17 year old girls and were looking for a "tool/resource". This is perfect, frees us up to not have to "reinvent" the wheel, the foundation principles (relationships) are in the correct order and our young ladies are excited to begin something designed especially for them. Thanks.

wonderful book to help my daughter know her worth in Christ and to grow in her relationship with Him

I really like the fill-in-the-blank Bible verses. I'm not a teenager but I like this book because it makes the Bible easy to understand for anybody who is new to reading the Bible
