Customer Reviews

This is a foundational book for successful living. The book is well written with many examples. I recommend this book without qualifications. I also recommend getting the Audible version along with Kindle book. I find all of John Maxwell's books to be a great value. I feel that this is a transformational book if you apply its lessons. Eldon Edwards

There are few books that I would recommend to reread every year. This is one of those books! In addition, the audiobook is very well done. My only regret about the audio is that it was impossible to highlight and listen at the same time. Perhaps that is a good thing, I would have to highlight most of the book. It is that good. Get it. Read it.

I have read many of Dr. Maxwell's books. This is one of his earlier ones and I think it is excellent. Anyone who takes the responsibilities of character and leadership seriously should be acquainted with this author's work.

This is a great book on motivational for personal development with Biblical reference. I really like it. Big thanks to the Author. Cheers!

This is a great short book to remind us of our need to make and keep commitments in our relationship with God. I am glad I found this book and had the opportunity to read it. This is an early book from John Maxwell, but it is still valuable to read.

Mr. Maxwell inspires us to stop in our steps, reevaluate our course and commit to living for God and ultimately the betterment of mankind. His work is instructional, educational, spiritual and illustrates

the ultimate challenge is within reach in every Christian.

Incredible book!! I will read it again.

this book has soooooo many tips you can learn from, but you must read it and study it... you also have to apply the principles
