Customer Reviews

With elegant writing...delicate illustrations, and a bit of a psalm to carry both Jeremy and his readers to their destination. -- Parents' Choice review for *Jeremy: The Tale of an Honest Bunny*

Jan Karon is the author of the bestselling Mitford Years series.

A very enjoyable CD that both children and adults can listen to. It is full of suspense and very imaginative. Each story is different, but the characters express good manners, common sense, and wisdom. One of the stories was written by the Author for her daughter and both read the story together on the CD making the story all the more special and interesting.

Perfect!

Our granddaughter age 4 enjoys this cd along with her grandparents in the vehicles. It is relaxing and pleasing to listen to along with teaching wise lessons to young and old.
