good book

All I have to say is awesome! Great seller for . I ordered this item for Christmas and it was here in plenty of time. Great price, fantastic seller I would buy here again with out hesitation.

Well worth the money.. Always love Danielle Steel.

2 of the 3 stories were great. I had a LOT of trouble with the second story due to the narrator's accent (too British) for me to get into the story. The 1st and 3rd stories were wonderful!

I bought this collection for my 89 year old Grandma in audio CD. She was thoroughly entertained & can't wait to get more. Fabulous.

Danielle Steel is a wonderful author and Her marvolous talent is shown in the three book value pack
