Wonderful novelization of the gorgeous masterpiece of a movie, Kubo and the Two Strings. My 10 year old daughter is CRAZY about Kubo (she's even going as him for Halloween this year!) - so this novel was a must-buy for her. She's read it happily many times and is already writing the sequel to the movie in her spare time. Ha!

My grandson loves the film and read the book on a recent plane trip cross country. He loved it!

Well written and 100% integrated with or derived from the film. Taking my 5-year old son through it and we enjoy remembering the parts of the movie from the passages in the book. Great story and characters!

My 6 year old grandson is Kubo obsessed! He loves anything Kubo. He reads at a high level so he loves this book.

8 year old loves the movie and now the book as well!

Fantastic!!!! I love the story.

This was a mythical story of love,loyalty, disappointment and forgiveness about a young and brave boy. It has great lessons to be learned and the wonderful movie was very true to the story.

I like to collect Junior Novels. This one is fine.
