## **Synopsis**

A perennial best seller now featuring a popular new Bible translation! The HCSB® One-Minute Bible for Students offers 366 readings that allow young people to thoroughly survey the heart of the Bible in one year at the rate of just one minute per day. Each reading follows the general flow of biblical history, interspersed with several topical series for occasions such as Easter and Mother's Day. If more study is desired, related texts are provided at the end of every day that point to nearly eighteen hundred passages of Scripture to further one's understanding of the topics covered in that day's reading. The seven hundred selected Scriptures and eighteen hundred related passages carefully present the key themes of the Bible and draw from all sixty-six books.

This particular version is good for anyone trying to establish the regular habit of being in God's word on a daily basis. It would also be good for new Christians. It covers many of the basic Christian tenets in a year. There is daily scripture reading, then usually a brief thought provoking commentary that helps the reader apply the scripture. It takes one minute of time to read, so even if you get behind a few days, it only takes minutes to catch up. I feel it would be a good tool to help someone establish the discipline of regular Bible reading. Hopefully it would also increase their appetite for more of God's word.

The first thing I read every morning is One Minute Bible for Students. It gets me started in the right

frame of mind for the day. I like the scripture which is connected to the day before. So, I'm getting the broad picture, and then a particular verse narrows my thoughts into something specific. Next, the lesson gives me some items to meditate on. I'm retired so I think the students could be dropped from the title. It's for everyone. Gordon Gerick Adoption-Lost and Found

This bible is perfect for anyone. Daily reflections of God's holy word and easy to understand.

Love this book!

Great book and it was delivered in a timely manner. I have had no issues and i appreciate the smooth transaction. Thanks... I truly appreciate it.

This was a great gift for a friend.

I read this One Minute Bible to my teen daughter every night, and we discuss what is being said and how it relates to her life today. It is my one tool I can use to stay connected with her. She needed story time when she was little, well you know what? As a teen, she still needs that time to bond. It is great for those new to reading the bible and those who need to hear the Word. Simple, day to day scripture that you can apply to your life! Get it, it is great!

I bought this for my college bound granddaughter and a copy for myself. I hope to encourage her as she reads this book.
