I bought this used to give away. It arrived in EXCELLENT condition and came earlier than expected. I have read the "study guide" several times and find it very easy reading and very informative. A very good study guide on the Holy Spirit.

Excellently written and the message is very powerful!! I would recommend this to everyone!

This is an excellent book for knowing more about the Holy Spirit, how He works, the ways He works, His purposes, and how we all can draw closer to Him and have Him fill us to overflowing. Written by Swindoll in his usual readable and understandable style.
