Customer Reviews

Have built and framed 5 Nene Thomas jigsaw puzzles, working on a sixth. She is absolutely my favorite artist, bar none. This calendar was just icing on my Nene-cake. Love it.

Love the artwork. The borders are rather large and overwhelming to the artwork. Next year I hope they make the art bigger and the border way smaller or not even there at all.

I love the art of Nene Thomas. Her dragons are amazing and each month of this calendar has one of her fantasy witches along with a small dragonling. The images are well colored and the paperstock is nice and thick. I hang my calendars in my kitchen to keep track of family events and appointments, so need a nice sturdy calendar. I highly recommend if you love Nene's work and dragons that you get this calendar while it is still available.

Nice looking 2017 Dragon Witches wall calendar by Nene Thomas. Its 12x12 inches wall calendar. Great for enthusiast of fantasy, dragons, witches, pagans, gamers, D&D, anime, cosplay, or fans of the likes.

I love the different ways that Nene she presents her witches. Of course men will love the sexiness, but me, I love the unexpected body paintings, not to mention the little dragons which are my favorite

Always my favorite calendar! Have to buy early because it sells out so quickly.

I love my calendar, it is exactly what I wanted!

A great product, it performed as described or better.
