Customer Reviews

Overall this is a well put together calendar, generally providing high-quality images from the original series. However, one star must be deducted for the inclusion of the "I, Mudd" image for the month of May, as they have chosen a CG image of the Enterprise orbiting a planet from the retooled version of the show. It simply looks horrible. An original special effects shot of the Enterprise model and planet would have been infinitely more enjoyable to have up for an entire month.

My wife, Regina buys me all the Star Trek items because she knows that I Have been and Always will be , a Fan. My name is Charlie, the name my mother gave me shortly after naming me Charles, Go figure! I have not oped the calendar yet because I like to keep things as new as I get them for collecting purposes you see. OK I`ll open it up because now you have my interest peeked. Thanks a bunch! Charlie.

STAR TREK IS MY LIFE. I love the stills they used for this calendar. Also, super excited that January is "The Man Trap" with George Takai. It just makes sense, AND I get to look at his face all month.

There's no story here, only scenes from the original series complete with quotes from each episode features in that month. Usually the most memorable line in that particular episode. Trekkers will love it; non-fans will be tempted to see the show to find out about the quotes, which is fine with me, as it will spread the love of Star Trek more rapidly than a tribble can multiple.

What else is there to review about a calendar? The printing is high-quality and the monthly images should be familiar to all fans of Star Trek TOS. I get this calendar every year and I enjoy seeing it hang on my wall. Nota bene: the January image and caption is hilarious! You'll get it when you see it....

Being a calendar is Predictable, Hopeful for the future, Slow since it will take all year to get through it, One dimensional since it is flat against a wall.

I am a star trek nerd. This calendar makes me so happy every day when I look at it! I get excited at the end of the month as I wait to discover what the coming month's picture and quote will be!

This is of course the famous yearly version of the Star Trek: The Original Series calendar, with full color pictures of the original cast.
