The unprecedented increase in killer natural disasters â“ more in 2011 alone than in the entire decade of the 1980â™s screams loudly: The end is almost here.

Customer Reviews

We have all reached a state of complacency regarding spiritual things, our relation to our Creator, Redeemer and Friend. Media and work keeps us to busy to search for truth and wisdom. Everybody knows that the world is facing a crises. Where we stand will determine our eternal destiny. Read prayerfully and be guided by the Bible and the Bible alone.

This is a well written story about the facts of the end of the worls. If you are not a believer, this book

will give you some things to ponder.

Concise but critical message to the world, authenticated by the truth of God's word. Everyone needs to hear and heed this warning.

I have heard many ministers, looking for the truth most of my life. For 75 years I listened in many churches. I've found all my answers in Mr. Wohlberg's books. I have in my lifetime no better way of knowing my Savior's love. Thank you Mr. Wohlberg! Marilyn

I recommend this book was thought provoking.

Any book by Steve Wohlberg is a good book.

A great little book to share.

There is so much truth found in this book. Jesus is. Coming soon! Spread the word! Do not allow unbelief to abide in your heart, but allow God's Spirit to abide instead!
