src="http://www.youtube.com/v/WCj_wojf4SQ&rel=0" /> Many people are tormented by a lack of genuine Christian assurance, simply because of theological and practical misunderstandings. Woodrow W. Whidden II addresses common questions and misunderstandings as he explores the Seventh-day Adventist doctrines of grace, law, salvation, judgment, and final events. His findings reveal biblical teachings that will inspire a deep, refreshing sense of the assurance of salvation as he explores such issues as: How can believers know with certainty that they are saved? Does the Bible teach a cosmic, pre-Advent investigative judgment based on works? Who will survive the latter rain, the close of probation, and the time of trouble? What do believers do with failure, backsliding, and the fear of judgment? Are Ellen G. White's writings a help or a stumbling block when understanding salvation? This powerful and comprehensive book will help believers become assured and balanced Christians, able to understand and explain the biblical teachings on judgment and assurance.

Whidden addresses many issues such as the evidence. He even addresses the "Final Generation" perfectionist concept a belief that the author notes that is not explicit in either the Bible or the writings of Ellen White. The author plainly points out that there is no evidence that God depends on any Christians to refute the claim that perfect obedience is impossible. Every serious bible student needs to have this in their library. Unfortunately this book is not for those who don't study.

Wonderful book. Whidden does away with the perfectionism myth in a redemptive non-judgmental way and presents a justification centered understanding of salvation.
