Elizabeth George, whose books have sold more than 10 million copies, is the author of A Woman After God's Own Heart® (more than 1 million copies sold) and Breaking the Worry Habit...Forever! She's also a popular speaker at Christian women's events. Elizabeth and her husband, Jim, are parents and grandparents, and have been active in ministry for more than 30 years.

Very good Bible Study and easy to follow and complete. Lessons took me from 20-30 minutes to do. I really liked that she included a final lesson that basically summarizes what you have learned throughout the study.

We are using this study in two small groups for women of which I am a part and everyone is so pleased with our choice. The lessons are the perfect length for busy women who need to be in the Word, yet might be intimidated by a study with more lengthy lessons. Our only criticism is the use of the NKJ version of the Bible in the book. But we have overcome this issue by reading the scriptures in several versions to compare and contrast when we meet, thereby enhancing our understanding.

My daughter heard of this book and she really enjoyed reading it.

Very pleased.

Another good read from Elizabeth George.... Highly recommend!!!!

These studies are great for personal use, or in groups. I have the Kindle versions, and I really enjoy them.

This is an amazing little study. I am using it at the nursing home. we do one chapter a week. there are so many helpful truths you may not think about hidden away in these two books of the Bible you may not think about. I like the way the material is presented and how easy it is to teach from.

A great author who helps lead you through the book of Colossians and gives a lot of great points I think on and draws the message of the book out.
