365 New Words-A-Year Page-A-Day Calendar 2018

Synopsis

Spruce up your vocabulary day by day with obscure sports terms (sclaff), words derived from other languages (frisson), contemporary buzz words (freegan), highbrow lingo that will impress your most bookish friends (Apollonian), and words that are just plain fun to say (hoity-toity). In addition to pronunciation and definition, each entry provides a fascinating word history and a sample sentence. From the editors of Merriam-Webster, America's most respected dictionary, 365 New Words-A-Year is a verbose language lover's dream: a great gift for writers, readers, crossword and Scrabble buffs.

Merriam-Webster has been America's leading and most trusted provider of language information for over 150 years. Publications include Merriam-Webster's Collegiate® Dictionary (among the best selling books in American history) and dictionaries for English-language learners.

Great aid for my ESL tutee who is entering high school in early August. Since his ESL teachers and aides only spoke Spanish with him, he is woefully behind in his English communication skills. I did not learn English until kindergarten, but quickly assimilated and acclimated to English. I am very hopeful that my tutee will broaden his English vocabulary and enhance his English oral and written skills.

I wish the back of each page was blank so it could be used for note paper. However, the back is not blank. The calendar is an interesting way to keep count of the days and learn something, too. I buy one every year.

Purchased as my New Years resolution to use new words each day. It's been Great even my co-workers come by my desk to confirm the new word of the day! Pros: Comes with stand, and word choice is excellent. Cons: when tearing the page there is a build up at the top. (Very Minor Con)

I've been going through a number of years with "365 New Word-a-Year." It's fun to learn new words and to realize how many words I already know. Friends who stop by also enjoy the "test" to see if they know the word for the day. This is great fun!

I was hoping to expand my vocabulary this year, unfortunately there are words I already know. Bought 2 of these & 1 will be returned.

At work my husband told one of his employees that he wanted him to come up with a new word every day for the year for at break time. We then bought the employee this at Christmas time this year as a "thank you" joke. He loved it.

Today is the first day of use but I flipped through the calendar. It's a little boring compared to what I usually get, but it's interesting and informative and I'll be using all year. It would be a great gift for a student.

So far I have mixed feelings - some of the words I've known for years (although that may be because I am a voracious reader), but other words are new and a joy to learn. Overall, a solid purchase.
