A Refugee's Journey From Yemen (Leaving My Homeland)

Synopsis

Sahar misses her life in Yemen before the terrible civil war started. When her home is bombed and she loses her baby brother, she and her family make the dangerous boat journey to a refugee camp. Sahar and her family end up journeying to Canada as refugees, where they adjust to a very different life. Interspersed with facts about Yemen and its people, this narrative tells a story common to many refugees fleeing the country. Readers will learn about the conflict there and how they can help refugees in their communities and around the world who are struggling to find permanent homes.
