CSB She Reads Truth Bible, Gray Linen, Indexed

Synopsis

The She Reads Truth Bible aims to live at the intersection of beauty, goodness, and Truth. Featuring devotionals by the She Reads Truth team, and Scripture reading plans that include supplemental passages for deeper understanding, this Bible invites every woman to count themselves among the She Reads Truth community of "Women in the Word of God every day." The She Reads Truth Bible also features 66 key verses, artfully lettered to aid in Scripture memorization. Features include: almost 200 devotionals, 66 artist-designed key verses, 35 full-color timelines, 20 full-color maps, 11 full-color charts, reading plans for every book of the Bible, one-year Bible reading plan, detailed book introductions, key verse list, a carefully curated topical index, a Smyth-sewn binding, two colored ribbon markers, and wide margins for journaling and note-taking. The She Reads Truth Bible features the Christian Standard Bible (CSB) text. Translated by more than 100 scholars from 17 denominations, the Christian Standard Bible features an optimal blend of accuracy and readability that's faithful for serious study, and written with heart-stirring clarity that inspires readers to live and share it.

This is a beautiful Bible and I was excited to receive it. I've never owned a hardcover Bible before so I was a little reluctant but it is beautiful and I actually love the linen hard cover. The Poppy color is gorgeous. I also love that it comes in a hard, linen-covered sleeve to store it in. I am, like other reviewers, a bit disappointed with how thin the pages are (the reason for only 3 stars). I have several different Bibles and this is the most page-delicate one I own. Although the layout is beautiful and well thought out, some of the text is nearly impossible to read because it is so light and the text on the back of the page is so dark. I attached a picture of some light blue font at the beginning of Proverbs that is very hard to read and actually, it shows up in the picture better than with the naked eye. I was concerned about being able to write in this Bible since that's one of the reasons I bought it and it was marketed as being able to be written in. I did a test (pictures attached) with a pencil, a Bic ballpoint pen and a Sharpie no-smear highlighter, using slightly lighter-than-normal pressure. Although there is bleed-through, I was actually surprised that wasn't much more visible on the other side of the page given the page thinness. It did, however, leave an indentation in the following 4 pages, but that's not a big deal to me. It lays open flat, which is great, but because it is so thick, taking notes in the very front or back may be a little difficult. As I just got this Bible earlier today, I want to use it for a little while to see if my mind changes about the durability of the pages. It is a very lovely Bible.

LOVE LOVE LOVE my new SRT Bible!!!!!!-I love the Holman Christian Standard Version-Very attractive and classy cover-The design is so beautiful inside-Comes with matching hard case-So many wonderful things about this bible to list-I do wish the paper was a tad thicker (personal preference)

This is the most beautiful bible I have ever held. The cover is very soft and feels luxurious. The index makes it easy to find what i'm looking for. I really love the details put into this bible--the maps, timelines, and summary scripture--I find these so helpful in better understanding the context of each book. The staff of SRT put a ton of thought into the creation of this bible. I appreciate the beauty of it, and the tools it provides to dig deeper into God's Word. This is a "Forever Bible" for me!

Excellent bible. Very thorough devotions. I love how the verses are spaced out into paragraphs and sections. It's very easy on the eye. Very good to read. You can highlight without it bleeding through. Beautiful colored artwork. Translation is easy to understand and very accurate. I highly recommend. I would recommend to anyone.

Love my SRT Bible! The key verse pages are gorgeous and I love the reading plan! The set up of the pages, the font, the CSB version make it a delight to read and the other addition make it my go to Bible!

Love this Bible. As a designer, I really appreciate the well-designed pages. Everything is very thoughtfully laid out, and of course, the content is the best!! Thankful for those who put their time & efforts into making spending time in The Word even more enjoyable. My only complaint would be the thin pages, but I totally understand that- I wouldn't want it any thicker to account for thicker pages :)

There is plenty of room in the margins for notes. The index makes for easy navigation. I've really enjoyed the use of colors to highlight the different themes, the art work of the key verse, the maps, charts, and timelines which all give context and highlight God's Word but doesn't distract. I've been using the muji gel pens, and they do well on the traditional, thin pages. I can't over recommend the SRT Bible. This is also my first CSB version (coming from a ESV reader) and like it as well. There is a couple of pages in the front that give more information about the CSB.

I absolutely love this Bible! It is beautiful, the outside color, the maps and charts and other various verses as well. The margins are great - I've never owned a Bible with margins. I'm a huge note taker! Very happy with it.
