High Quality Paper The text is printed on cream, opaque paper making it easy to write reflections and record observations in your ESV Journaling Bible. **Ruled Margins** With 2-inch ruled margins alongside the text, there's ample space for taking notes and reflecting on the text.

Bible Reading Plan Included in the Bible is a one-year reading plan, so you can work your way through the entire text as you study God's Word every day. **Durable Binding** The Bible

features a durable, Smyth-sewn binding, designed to last a lifetime.

About the ESV The ESV Bible (English Standard Version) is an 'essentially literal' translation of the Bible in contemporary English. Created by a team of more than 100 leading evangelical scholars and pastors, the ESV Bible emphasizes 'word-for-word' accuracy, literary excellence, and depth of meaning. Since its publication in 2001, the ESV has gained wide acceptance and is used by church leaders, numerous denominations and organizations, and millions of individuals around the world.

I'm struck by the sweet, old-fashioned look of this Bible. Like a classic book, the cover is cloth-covered board. It's smaller than a "regular" Bible (see pictures- I added a quarter for perspective). The smaller size keeps the weight down, but look at the pictures to be certain the print is not too small for your comfort. Inside: This is not a study Bible. There's a few introductory pages at the front of the book. The back of the book includes an explanation of salvation, a short synopsis of every book of the Bible, and a one year reading plan. This Bible (as the title suggests) is designed for journaling. Each page features two columns of scripture accompanied by a column for writing (or art). The lines are faint... I had to get pretty close to try to capture them with the camera. They are small, narrow lines. I appreciate the faintness of the lines for the pages where I want to add artwork instead of just notes. The pages are still traditional-Bible-thin. I wouldn't paint without some kind of gesso (my opinion, your mileage may vary). You'll still need to consider carefully the mediums (pens, highlighters, etc.) you use if you don't want it to go through to the other page. I appreciate the cardboard slipcover. I feel like it would keep my journaling Bible safe in a tote bag if I wanted to be outside or on the road with it. Overall, it's simply charming. I feel inspired to start reading right away.

This is my second Crossway journaling bible and it won't be my last!! This bible is absolutely BEAUTIFUL!! The leather feels so soft!! It is huge and heavy for anyone thinking about buying it to use in church, but honestly I still would. It has so much room for illustrating your faith, taking notes, etc. This is going to be my go-to bible from now on!!

Absolutely LOVE this bible! Perfect for illustrating in :)

UPDATE: While I do wish that this were single column and had a larger font, I'm really quite happy with this overall. After comparing to several other Bibles, this has much lighter lines in the column

(so not so distracting if using this for artistic journaling) and the pages themselves are less yellow than both the NIV journaling and Inspire Bibles. I've been able to use watercolor and such on the pages without issue, and just use clear gesso on pages where I want to do heavy marker or ink work. Read the description carefully, particularly the size. The book itself is smaller than I had anticipated (this is my fault) and I was surprised that the pages are more of a cream color than white, and also very sheer. As this is designed as a *journaling* Bible, I guess I was just expecting the pages to be just a bit heavier weight to stand up against different media. Fine for simple pencil work, but I don't think I'll be able to use markers or paint. Also wish I'd realized this had a 2 column format (there was very little info included when I ordered) It says there are introductions to each book - but they're at the back, not with each book. Still, it's a lovely presentation and the slipcover is nice (great for protection when on the go)

Lovely, beautiful and oh so pretty! Font is small. 10 point

Beautiful Bible. I purchased for art journaling. The pages aren't thick but I've used a similar Bible in the past for creative art journaling and with the right supplies, it's quite workable. I was looking for a Bible to use for art journaling, and liked the interleaved design and the simple modern binding. I will be able to embellish this Bible extensively without compromising the readability. This Bible is quite thick however. Definitely not something you want to carry with you. With all the extra blank pages, it's inevitable, just something to be aware of. The ESV translation is clear and accurate without losing some of the traditional, beautiful, familiar phrasing of older translations. All in all it's a good albeit not perfect Bible for my purposes. The balance between paper weight and Bible thickness is a tough compromise with no clear winners. Will update with artwork once I create some.

Let me first day that this bible is small but huge! It's the most beautiful bible I have ever seen and feels so good in your hands. It's small enough to be easily carried with you but thick and plenty of space. I was surprised to find that it comes in a case and it's binding looks as if it's a heirloom book. As far as is pages, they are quite thin and you can see the text on the next page but it's not so thin that they feel flimsy. They are a nice cream color that doesn't glare in bright light. Overall this a perfect study bible for me. Plenty of writing room, looks beautiful and can be carried with me to church.

This Bible is wonderful, especially for the price. The cream colored paper is easy on the eyes. You

can see the words on the pages below because the pages are thin but that keeps the Bible from getting too bulky. You will need a pen that will not bleed through the page. I use the Pigma Micron pens. The all tan version is actually tan it is NOT pink. I would love to hear from people how they will be organizing their notes on the blank page.
