Customer Reviews

I got this for my daughter and she absolutely loves it. In fact, she has so much good to say that I ordered one for myself. She loves the fact that she can take notes or make comments without obscuring the original text. She says it feels good in her hands and the paper isn't so thin that ink bleeds through. Awesome value!

I like the Bible itself, but I did not keep it. The pages are way too thin for me to feel comfortable taking notes on it. I was hoping the pages would be thicker so I wouldn't have to worry about ink bleeding through, but the moment I opened the package and looked at it I knew I wouldn't be keeping it. I like

the design on the cover and the margin space is great, but there is now way ink would not bleed through on these pages.

Gorgeous hardbacked New International Version Bible. All the verses are there and the Bible itself seems to be very well made. The Margins are perfect for jotting down notes and journaling. I am a happy customer.

Beautiful bible, we used it as a guest book for our wedding. The cover is gorgeous and the pages are wonderful for journaling and writing messages. Very pleased

Nice bible with ample room for journaling. I would recommend using colored pencils, the pages are a little thin and bleed through is likely with pens and highlighters.

It's beautiful I love it and can't wait to read out of it at church tomorrow morning.

I wish the font was just a bit larger. Beautiful cover on this Bible.

Best Bible I've ever owned! Love the room on the sides for notes
