# Scholastic Discover More: My Body

## **Synopsis**

Scholastic Discover More is a revolutionary new nonfiction line pairing stunning print books with corresponding interactive digital books that extend the learning online. MY BODY unlocks a free 16-page digital companion book offering even more information, photos, and videos! MY BODY answers children's questions about their own bodies in an incredibly simple and appropriate way. Each spread is focused on a particular part of the body or movement a child understands. Body actions such as breathing, the food journey, and blood are touched on, as well as fun subjects such as hiccups, earwax, and goosebumps. The simple text is perfect for beginning readers. The photographs provide impact for children less interested in reading with big, bright pictures of the inside and outside of the body.

Andrea Pinnington specializes in writing and editing non-fiction books for young children. She has written over 30 titles covering a range of subjects from puppies to pirates and animals to astronauts. She is also the creator of many children's craft and activity books.

One of the few books on the human body that my students were attracted to read. Also great inside.

Five star

Love it...will be a great addition to our unit on our bodies in Preschool

I don't know why this book has so many bad reviews. I'll have to go read them to find out why. But for a 5 yr old, my son loves this book. It explains the basics to him in a way he can understand, and that's all he needs for someone his age.

and am very happy with this book! It's written at an appropriate level for my 3 year olds, who are fascinated by their insides. The illustrations are simple and bright. I don't know that they have learned much new from this book but it does help reinforce concepts we discuss.

Great book , perfect for kid learning :)

A great intro to the body for little ones. My son has asked a lot of questions about how the body works since we started to read this.

Great beginning understanding of anatomy.
