Sheila Walsh is a Women of FaithÂ® featured speaker and the author of the award-winning Gigi, Godâ s Little Princess series, The Storm Inside, and The Shelter of Godâ s Promises. Sheila lives in Frisco, Texas, with her husband, Barry, and son, Christian.Â

My children already had this set in the 'Goodnight Princess' by Sheila Walsh, they've had it for 2+ years and go to sleep with it on every night. EVERY...NIGHT. I'd been searching for quite some time, for this less popular and hard to find version, with my now 9-year-old son in mind. BUT this seems to be exactly the same recording with the exception of the phrase "little princess" being changed to "little warrior." So most likely we will give this to a friend or cousin when we find someone who will love and appreciate it as much as they do. We've tried other cd's of bible stories

and devotionals for them to fall asleep to just to give them some variation but my son insists on Sheila's voice. I agree that her voice is very soothing to fall asleep to. Sheila tells the Bible stories to a soft soothing background music and ends each story by applying the story to something that the children can relate to, followed by a simple prayer. This has been a great part of our nightly routine not only because of Sheila's voice helping to settle and soothe my children to sleep but also because these bedtime stories are bringing God's word to life in my children's imagination as they drift to sleep. I feel that applying these stories to our modern lives and the power of understanding them is a key point in a lifelong walk with Jesus. Thank you, Sheila Walsh, for helping to lay the foundation of my children's faith with these cd's. ÆøÂ Â

I bought this set for my three grandsons (2,3,4 years old). I put it on to play when I put them to bed or put them down for a nap. There are four discs and the stories are child friendly yet accurately scriptural. I love Sheila's reading style and find it very calming and pleasant to listen to myself. The set covers Old and New Testament stories and it really doesn't matter if you get it for boys or girls (afterall there isn't a different Bible for boys and girls). The CDs are labeled 1,2,3,4. There is a card that lists what stories are on each CD:CD ONEGod Makes the WorldGod Makes the AnimalsAdam and Eve Tempted Noah Builds a BoatThe Great FloodThe Tower of BabelAbram and SaraiSarah LaughsRebekahEsau and JacobJoseph's Jealous BrothersJoseph Sold Into SlaveryJoseph Explains DreamsFrom Prison to PalaceThe Israelites Become SlavesBaby Moses and His SisterGod Calls MosesMiracles in EgyptA Dry Path to FreedomBread From HeavenCD TWOTen CommandmentsThe Golden CalfPillar and Cloud of FireBalaam's DonkeyWall of JerichoDeborahGideon's ArmySamsonGod Speaks to SamuelThe Boy DavidDavid Fights GoliathSolomon Asks for WisdomElijah's Fiery ChariotJosiah the Boy KingEsther Becomes QueenA Great PrayerA Time for EverythingFour Men in a FurnaceDaniel in the Lions' DenJonah and the Big FishCD THREEGabriel Visits MaryMary Visits ElizabethBaby Jesus is BornShepherds in Their FieldsThe Wise Men Visit JesusWhere Did He Go?John Baptizes JesusJesus is TemptedStory About the SowerJesus Walks on WaterJesus Blesses the ChildrenJesus Clears the TempleJesus Chooses His ApostlesJesus Calms the StormThe Blind Man SeesPoor Widow Gives AllThe Big CatchA Woman and a Girl HealedThe Lost Sheep and CoinThe Son Who Left HomeCD FourJesus Heals the LepersJesus and ZacchaeusJesus and NicodemusJesus Feeds 5,000LazarusThe Triumphant EntryThe Last SupperJudas Betrays JesusPeter Denies JesusJesus is CrucifiedJesus Rises from DeathJesus Goes to HeavenThe Holy Spirit ComesA Temple Beggar is HealedPhilip and the EthiopianSaul is BlindedPeter Raises TabithaPaul and Silas in PrisonPaul's

Shipwreck Love The Fruit of the Spirit The stories are perfect to listen to over and over again. I play one CD for a week, and then I move on to the next. When I have completed the set, I start over. I like the fact that these are CDs, so that the children are listening and envisioning the story rather than passively watching DVDs. This improves their listening skills. After all, at night when it is in dark, you can not do much else but listen. This puts the mind in a creative frame having to listen closely to envision the story, instead of always being in a receptive mode as the brain is when you are watching videos. And the most important is that the children are learning important spiritual principles and learning about who Jesus is. The only complaint I have is the packaging. It is NOT user friendly. I cannot tell you how many times I have dropped the CDs. Fortunately, I have plush carpeting and have not broken one, yet. It is difficult to determine top and bottom and several times when pulling the CD holder out of the box, a CD has fallen out of its jacket slot. This really needs to be redesigned to secure the CDs. In spite of this, I would still get this wonderful set.

This CD set is the best Bible story set that we have....and we have quite a few! My grandsons, 3 and 4 yrs. old, find Sheila's voice to be calming and soothing...perfect for naps and bedtime. The format of Bible story, application to real life, and music throughout, is perfect for keeping their interest. I would highly recommend this set for children 2 to 10 years old.

My kids love listening to this at bedtime and what is even more is that they are learning more from this than anything else. They love the stories and the narrator. Such a sweet CD set that peaks the interest of my little boys in learning about God.

I bought this CD set for my 5 year old son to listen to at bed time. I loved it so much I'm buying it and the set for girls for all my nieces and nephews. It's so peaceful for night time and teaches wonderful lessons and bible stories. My son is excited every night to listen to his CDs, it's so precious to see your child excited to learn about God. I wish I would have found this CD set a few years ago. I just can't say enough about how great this set is!!

My 2 year old twins love listening to these CDs to fall asleep to. I have boy/girl twins in the same room and was kind of hoping it wasn't gender specific. For most of it, it's great for both. During the devotional/prayer segments they do speak to boys. If we get them in separate rooms, I'll buy the girl version. GREAT PRODUCT! Why not have your kids listening to God's word as they fall asleep! :)

This CD set is really nice. My son listens to it when he goes to bed at night. Beautiful stories and soothing music with positive messages from the bible.

My 2 young grandsons listen to these CD's as they are falling asleep and are really enjoying them. They are such sweet and thoughtful children and well-behaved. I'm not prejudiced! They love Bible stories and really are God's little warriors.
