Unholy War: Terror In The Name Of Islam

Synopsis

The September 11 attacks on the World Trade Center and the Pentagon left us stunned, angry, and uncomprehending. As it became clear that these horrifying acts had been committed in the name of religion, the media, the government, and ordinary citizens alike sought answers to questions about Islam and its adherents. In this level-headed and authoritative book, John L. Esposito, one of the world's most respected scholars of political Islam, provides answers. He clearly and carefully explains the teachings of Islam - the Quran, the example of the Prophet, Islamic law - about jihad or holy war, the use of violence, and terrorism. He chronicles the rise of extremist groups and examines their frightening worldview and tactics. Anti-Americanism (and anti-Europeanism), he shows, is a broad-based phenomenon that cuts across Arab and Muslim societies. It is not just driven by religious zealotry, but by frustration and anger at U.S. policy. It is vital to understand, however, that the vast majority of Muslims are appalled by the acts of violence committed in the name of their faith. It is essential that we distinguish between the religion of Islam and the actions of extremists like Osama bin Laden, who hijack Islamic discourse and belief to justify their acts of terrorism. This brief, clear-sighted book reflects twenty years of study, reflection, and experience on the part of a scholar who is equally respected in the West and in the Muslim world. It will prove to be the best single guide to the urgent questions that have recently forced themselves on the attention of the entire world.

Book Information

Audible Audio Edition

Listening Length: 6 hours and 7 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Audible Studios

Audible.com Release Date: February 6, 2014

Whispersync for Voice: Ready

Language: English

ASIN: B00IA11RS0

Best Sellers Rank: #112 in Books > Audible Audiobooks > Religion & Spirituality > Islam #247 in Books > Audible Audiobooks > History > Middle East #312 in Books > Audible Audiobooks > Politics & Current Events > International Relations

Customer Reviews

We have many opinions about Islam bombarding us in the media everyday. Unfortunately, few of those come from people as knowledgeable as Professor Esposito. If you vote, serve in government, or simply curious about Islam and terrorism - you should read this book

Good reading for background on Islam. Lots of information, can be confusing at time. A must-read for understanding Islam in the modern world.

Using this as part of a class. Very interesting so far.

Really Interesting.

Great seller, will use again.

Very informational
