The Devil Who Tamed Her (Reid Family Series)

Synopsis

Ophelia Reid is an incomparable beauty with a reputation for starting rumors and spreading them. Having purposely wrecked her engagement to Duncan MacTavish, a future marquis, which her social-climbing father arranged, Ophelia wants to return to Londonâ™s marriage mart and make her own choice of a wealthy husband. But on her journey home, something unexpected happensâ | The heir to a dukedom, Raphael Locke, Viscount Lynnfield is â “ in spite of his disinterest in marriage â “ the most sought-after young lord in England. He instantly disliked Ophelia when she caused a scandal to avoid marriage to his friend MacTavish, but having comforted her in a tearful moment, he begins to wonder if sheâ™s not all bad. So when MacTavish claims that Ophelia will never be anything but a spiteful beauty, Rafe bets his best friend that he can turn her into a kind-hearted lady who will one day make a good match, just not with him. With her parentsâ™ blessing, Rafe commandeers Opheliaâ™s coach and whisks her â “ chaperoned, of course â “ to his remote estate in the countryside. There, as he tries to show his furious, sharp-tongued âœguestâ • the error of her ways, he discovers the surprising reasons for her bad behavior. Soon his daily lessons with Ophelia take effect and he finds himself irresistibly attracted to her. When Rafe champions the new and improved Opheliaâ™s re-entry to London society, marriage proposals pour in. Only then does Rafe start to wonder whether he hasnâ™t gone and fallen in love with Ophelia himself.

Customer Reviews

Ophelia Reid may be the most beautiful woman in England, but she is also the most ill-tempered and self-centered. At least that is the conclusion Raphael Locke, Viscount Lynnfield, reaches when Ophelia breaks her engagement, again, to his friend Duncan. Rafe decides someone needs to teach Ophelia a lesson in manners, and so, after betting Duncan that he can reform the shrewish harridan, Rafe "kidnaps" Ophelia, and takes her, along with his aunt Esmeralda, to his estate in a remote corner of Northumberland. But Ophelia isn't the only one learning a lesson, when Rafe, who has successfully avoided the matchmaking clutches of the town's most determined mothers, discovers he isn't quite as immune to the idea of love as he thought. In her latest elegantly sensual Regency historical, Lindsey deftly brews up a particularly potent blend of sexy chemistry between her expertly matched hero and heroine while skillfully constructing a neat and witty plot. "Simply riveting.... Excellent." -- Charleston Gazette (West Virginia) --This text refers to an out of print or unavailable edition of this title.

Some of Johannas love scenes are very tame. This story had a good tale and the scenes were a little more PG instead of G rated ;) However my problem was I read this story out of line. To get a good grasp of the characters you need to read "The Heir" first. The two kind of take place together but "the heir" is the one that should be first. Of course you can read "the devil who tamed her" first if you would like. The spoiled brat is not so spoiled when she learns to curb her passion. The Devil has a GREAT way of helping her change her attitude! A must have if you like Johanna Lindsey!

Another winning storyline from a master storyteller. This was an exceptional storyline with exciting characters and lots of romance, my favorite things in a great story. Definitely a five-star rating for this book, it's a classic and one to be read over and over again.

This book was so special to me and it touched my heart!!! Lindsey is a awesome writer and I look forward to reading more books from her!!!!

Johanna is my Favorit Author Ever, she is the best Historical/Romance Author's! I've collected all her books that I can find and now on my Kindle to :-) The first book to this serios is "The Heir", then comes "The Devil Who Tamed Her", 3rd not least, "A Roque of my own"... Now that its came out, Let Love find you...Guess what, its about Amanda the sister to Raphael, in the first 2 books more

the second Amanda hated Olphelia second book... But Amanda has been in all 3, how she has her own... :-) I'm not a good reviewer at all but, Mrs Johanna Lindsey and her storys are just incredible.....

A Beautiful Woman expects to be loved by a handsome titled man. She expects to be a show piece for him in furthering his career. The other parts of love, are to be tolerated, only on rare occasions, she shows this with no outwardly affection. Only when she is presented with rare gifts of jewelry does she consider marriage, no matter what his age is. The novel has an interesting conclusion, when the Devil is unmasked and she sees an Angel.

never before have I disliked so much a book from this author. The plot is lame, the characters not interesting. The ending... well one of the worst I ever read. Please if you love this author, do yourself a favor and skip this book.

As a Johanna Lindsey fan I was looking forward to reading "The Devil Who Tamed Her", I was however disappointed. "Phelia" won me over, it took a while but I finally embraced her. On the other hand "Rafe", the character that I thought I would love is the character that makes me wish that somehow she had found someone else. She deserved somebody that would have a deep connection to her, one that she had never had with any other person in her life. Instead he marries her on one of her taunts and quickly deposits her back in her parents house uncaring that if that information got out she would be attacked by all those "friends" that could not wait to see her hurt. Just moments before he was telling his friend how much she had changed, guess he forgot about that when he accused her of starting rumors (which ironically turned out to be his friend). At no time did he ever intend to marry her or did he ever WANT to marry her but he certainly didn't turn down the opportunity to be her first and even then he never intended to honor her or was he even worried that she may have become pregnant with his child instead he was content to send her to her future husband's bed lacking her virginity and possibly carrying his child, a real charmer. I wouldn't give "Rafe" the time of day.

Good
