The End Of America - The Role Of Islam In The End Times And Biblical Warnings To Flee America

Synopsis

What is happening to the America we knew? Does the Bible provide insight into our nationâ™s growing disintegration and give us clues to the future of the US? The newly re-written 2016 Edition of THE END OF AMERICA is now available in softback or Kindle version. The book details thirty prophetic âœmysteryâ• clues identifying a rich, powerful and influential end times nation which will betray Israel and is therefore destroyed in one day/hour/moment. Radical Jihadistsâ™ plans to conquer the world for Allah by bringing âœDeath to Americaâ• are analyzed, comparing Muslim prophecies to Biblical end days verses. Prophecies warning Godâ™s people to flee from this âœmysteryâ• nation are studied in depth. WHEN should one flee? WHERE should Godâ™s people flee? THE END OF AMERICA lists nations which may be safe in the latter days, as Jihadists exert political and religious control across the globe. Also included are major world events which Godâ™s people should watch for, as Jesus advised. If you know in your spirit that America is in trouble, that what is unfolding before our very eyes proves that we are in the last days, this book will provide answers from Godâ™s Word. Available in the new 2016 Edition on Kindle for 99 cents so that every Christian and Jewish American can read and heed Godâ™s warnings.

Customer Reviews

I congratulate the author for at least believing that America is found in Bible prophecy. But his basic overall theme is greatly flawed. He believes that America, which is Babylon the Great, will be destroyed before the Great Tribulation even begins. Though I could be mistaken, I know for sure he believes America will be destroyed before the rise of the beast, basing that belief on Rev. chapter 14. **HOWEVER**, Revelation tells us in chapter 17 that the woman will **RIDE** the beast, and that the beast will hate the woman and will eat her flesh and burn her with fire. **THIS MEANS**, that the beast must be in power **BEFORE** the woman is destroyed, because the beast will take part in the burning of America. According to a new book on this subject, Babylon the Great falls **TWICE**. The first being with a huge tsunami that will hit the east or west coast of the U.S. early in the Great Tribulation (2nd Trumpet) which allows the beast to come to power in the Middle East, a Revived Ottoman Empire. Then later, Revelation further **TELLS US** when Babylon the Great will be finally destroyed. In Revelation 16 at the 7th Bowl of Wrath, it will be totally destroyed with huge earthquakes and will be nuked by Russia, China, and the Islamic states. **THIS destruction by fire is given to us IN GREATER detail in Rev. 17 and 18**, followed by the destruction of the beast and false prophet in Rev. 19, just a short time later. Therefore, I recommend the books.

Interesting facts supporting what one of my sons stated about 25 yrs or so ago. As regards Russia and The Caliphate coming against Y'rael there is revealed supporting fact that Gog and Magog , usually only identified as Russia were intially (first cause) the Kazan Klans of Turkish/Tatar peoples with the Tatar Moguls in the mountainous and steeps that was led by the Turk Bogan (sp) invaded Russia and East Europe with that SeinkeiwiczAnd now returning to their historical roots of Caliphates by supporting those who claim to be a Caliphates , as well as the recent false flag failed coup used to establish a ruthless toltaliterian state - and having an arsenal of USA nuclear weapons, it csn and fits the many multitude of puzzles piece state statements that Avinu Abba Yahuah b' shem Yahusha , The great and only MetaPhysician and Word Meister has left for His Children to ponder, dwell on - geo- politically wise.

Has Obama opened the door, with Bush 41, Clinton and Bush 43 to Pandora's box? Ready to forsake Israel in her time of need? We are warned to flee America but left with no real viable place

to go except a few Central and South American countries. Impractical in any sense of how you could live in such a state. Does make for thoughtful reading. The only real solution is to trust in God.

Price skillfully touches all the bases of why the USA is Revelation's "The Whore of Babylon" and why others have missed the identity of the end times Babylon. It seems almost pitiful that theologians miss this "politically incorrect" interpretation of America's end times destruction for the sole reason that they do not want to start a stampede of their flock out of the USA. My only consolation is that Jesus came as a "carpenter" or the Greek "techtone" in order to avoid the politically correct theologians of His day. Jesus was a "techie" or equivalent of engineer in his day. Likewise John Price, an attorney, and myself, and engineer, have independently produced end times book that point specifically to America's destruction from separate and independent scripture passages (See also 's "Satan as Barack Obama").

This is a surprisingly good book. In no other place will you find this much Scriptural accuracy COMBINED with the current events of the day. Many books have sound Biblical accuracy, but don't make the connection to the events of today. Others may have a good "big picture" view of today's geopolitical landscape, but fail to see how events today are linked to the fulfillment of prophecy. The obvious debate is always whether the events and places found in Biblical prophecy are symbolic, allegorical, or are meant to be interpreted literally. John Price takes a line that leans toward the symbolic while remaining firmly rooted in the truth of God's Word regarding the identity of the "Daughter of Babylon". Some may find his admonition to "flee" this Daughter of Babylon before its destruction to be a little full of hyperbole, but even if you, as I, choose not to "flee," for whatever reason, you must admit that he has a valid point - a point that is backed up by Scripture. Grab up this book, grab up a Bible, and get your head on straight about what's really happening to our country and how you should respond.

Some version of this (as I'm not sure I subscribe exactly as Mr. Price outlines) is bound to happen. He urges Christians to leave the US before the coming disasters but as an American, I could not go elsewhere. I will stay here and die fighting the inevitable. But, I do believe it is coming, inevitably. You can certainly tell that the current administration is ITCHING to kick Israel in the 'nads. If Clinton's is the next administration, that one will be in a kicking mood, too. Keep an eye on what happens at the IMF's meeting this October. The INF will likely accept the Chinese Yuan as a world Reserve Currency, and that COULD spell disaster for the US Dollar. If the US goes broke, our

leaders will sell us to the highest bidders to say their own stinking hides. Financially, militarily, and Spiritually, the US is no condition to survive the coming upheaval. I recommend ALL CHRISTIANS read or listen to this book and begin preparing for what is ahead. God bless and good luck...

Over the years we have been taught that much is hidden until the last days. Well these are the last days. Heed this book and you will be blessed. Too many biblical verses are referred to not to believe the WARNING. God be with you as you pray for Wisdom and understanding needed for times such as this.
