Customer Reviews

Super cute Dora book where you are saying Goodnight and guessing which animal friend is making noises so good for learning animals and also teaches the Spanish words for the animals as well.

We love it. Can tailor to sleepiness of your child and get through quickly or take your time and go through what else is on the page. We love to count down the animals in English and Spanish, too. I went on business trip so bought second copy to FaceTime and read.

My daughter loves when I read this book to her. The exciting part is the pop outs and she learns the different animals. Definitely worth it

My daughter has to read it every before she will fall asleep. She likes to do the flip while i read it.

She never seems to get tired of it

love all the good nights and animals in English and Spanish (when open secret doors)love love love
this little book

Okay book. No story.....just her saying goodnight to different things.....probably too simple for the 4
yr old I got it for

My granddaughter loved it. I also bought the Dora doll with iPhone. Great combo.

Since purchasing, I have easily read this to my kids 100+ times. It is a big hit.
