Charles R. Swindoll has devoted his life to the clear, practical teaching and application of God's Word. He currently pastors Stonebriar Community Church in Frisco, Texas, and serves as the chancellor of Dallas Theological Seminary. His renowned *Insight for Living* radio program airs around the world. Chuck and Cynthia, his partner in life and ministry, have four grown children and ten grandchildren.

Today, when truth is so hard to find, we need more than ever to know the basic tenets of a relationship with God. He is grace. He gives us his riches freely because of Christ's taking our sins

away. This grace cost Jesus his life on earth, but he gave it so that we might find life bearable and even joyous on earth and eternal hereafter. This book is a plainspoken, down to earth explanation of this Grace, and its meaning in our lives.

I have listened to Chuck for decades on radio, and even travelled with Cynthia and him to Israel a few years ago. As with everything Chuck does, this book, a short devotional, is crammed with wonderful 'insights' and obviously written by a hand of a man who has walked closely, for a long time, with Jesus. Thirty devotionals is just too short -- you will come away wanting more.

I use this book more as a devotional. It is good, and thought provoking!

I purchased this to have as a daily devotions guide while listening to the sermon series. It is great to have my daily devotions help cement the ideas that the sermons are introducing. I would highly suggest this series to anyone who wants to strengthen their Christian walk.

This devotional was awesome.

I received it in timely basis and in good order. I was glad that I was able to give to my friend for her birthday.
