The Something Girl: The Frogmorton Farm Series, Book 2

Synopsis

From the best-selling author of *The Chronicles of St Mary's*. *The Nothing Girl* has grown up.... It's life as usual at Frogmorton Farm - which is to say that events have passed the merely eccentric and are now galloping headlong towards the completely bizarre. Once again Jenny struggles to stay afloat in the stormy seas of matrimony with her husband, Russell Checkland, together with an unlikely mix of Patagonian Attack Chickens, Jack the Sad Donkey and Mrs Crisp's mysterious boyfriend. The old favourites are still around, of course. There's Marilyn the Omnivorous Donkey, Russell's ex-girlfriend Don't Call Me Franny and the neurotic Boxer, currently failing to deal with butterfly trauma. So nothing much is new...except for the mysterious figure dogging Jenny's steps and who, if she didn't know better, she would swear was her sinister cousin Christopher, last seen being hurled from the house by her wayward husband. He couldn't possibly be stupid enough to come back and try again.... Could he?

Book Information

Audible Audio Edition

Listening Length: 7 hours and 59 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Audible Studios

Audible.com Release Date: August 24, 2017

Whispersync for Voice: Ready

ASIN: B074FDC35S

Best Sellers Rank: #18 in Books > Audible Audiobooks > Romance > Fantasy #277 in Books > Romance > Fantasy #892 in Books > Audible Audiobooks > Fiction & Literature

Customer Reviews

Jodi Taylor has a way with the English language that is both engaging and hilarious. I truly can't get enough of her writing and eagerly await any of her new work. Her books are fantasy, which is not normally my sweet spot, but her writing and plotting make the books and characters engaging and likable. I strongly recommend reading all of Jodi Taylor's work that you can find.

Jodi Taylor writes great books. I always like them. This book is a sequel to her previous book, "The Nothing Girl", which I'd read already. This is quite a good book, and I recommend it, although it's

perhaps not quite as good as "The Nothing Girl".

I have read almost every book by Jodi Taylor, and she never ceases to entertain me! I absolutely love the St. Mary's series, and this series, although very different, is really good! Thank you, Ms. Taylor!!

Light-to-dark drama; but a fun (and sometimes laughably silly) sequel to The Nothing Girl, in Jodi Taylor's fine style. I would have appreciated a little more acute punctuation, but I suppose one must accede to 'artistic licence'.

Sequel to The Nothing Girl, The Something Girl is, well, really something. It was a great read today, just the refreshing, feel-good kind of story I love. Just a hint of fantasy, redemption, struggle and love, full of witty repartee. It's a fun read, and, like Nothing Girl and The Little Donkey, will be re-read and cherished. I found Jodi Taylor through Nothing Girl and love the St. Mary's series as well.

The continuing adventure of Jenny finding her strengths in marriage, motherhood, farm management, neighborliness, and relatives who just won't quit. Love, humor and poignant story telling.

Part of a trio, I love this series. Sweet, hysterical and romantic. Worth every penny of purchase. If you haven't read Jody Taylor you are really missing out.

Jodi Taylor is one of my favorite authors. I was disappointed that I couldn't get this on Audible, but I enjoyed reading it on my Kindle app. This is the second book in this series--you really should read "The Nothing Girl" first.
