# English Pronunciation Program

## Synopsis

The Berlitz English Pronunciation Program introduces sounds, stress, rhythm, and intonation in Standard American English. It features sounds in context and uses a listen and repeat approach for maximum practice of basic pronunciation skills. Sounds are stressed in familiar words and sentences to facilitate learning. Consisting of a 70-pg. book and one 70-min. audio cassette, it's the ideal learning experience for non-native English speakers wishing to improve their pronunciation.

## Customer Reviews

Book was good but too short and has not given enough common words or direction to use phonetic alphabet so one can read dictionary

It is easy and simple. Instructs the right position of the tongue and the mouth to pronounce the English words in the American Standard way.
