Jeff Kinney is a #1 New York Times bestselling author and five-time Nickelodeon Kids' Choice Award winner for Favorite Book. Jeff has been named one of Time magazine's 100 Most Influential People in the World. He is also the creator of Poptropica, which was named one of Time magazine's 50 Best Websites. He spent his childhood in the Washington, D.C., area and moved to New England in 1995. Jeff lives with his wife and two sons in southern Massachusetts, where he has a bookstore, An Unlikely Story.

The kids love this calendar. The numbers are large and bold faced and it comes with cool stickers they put on their school folders.

It's your typical calendar but with generous helpings of Greg Hefley throughout. There is a cartoon header and footer on each page plus more drawings sprinkled across the month. There is even a page of stickers! (The stickers are not the kind that are labeled "Dr. Appt." or "Birthday." You have half a sheet of Greg heads and half a sheet of drawings, most of which I recognize from the books.) Any Wimpy Kid fan will enjoy it.

The calendar was the wrong year and it arrived damaged. The packaging was VERY poorly put together and I was extremely disappointed with the condition of the calendar. The calendar had what appeared to be, some type of coffee stain that unfortunately soaked through the entire calendar. I would not recommend!

Calendar was a big hit with my then 8-year old. After year was over, he cut out the pics and decorated school folders with those pics, some of his own drawings and the stickers that were included with the calendar.

This is a perfect calendar for anyone who likes the Wimpy Kid series. My son got this for Christmas and can't stop looking through it. Each month has several little cartoons he can't stop laughing at and it comes with stickers that he is saying to stick on as he has good and bad days. I would highly recommend this item.

I got this calendar for my son, who is a big fan of the book series, and he was so excited!! Packed full of mini Wimpy Kid drawings to mark special days of the year, plus bonus stickers for added creativity. It's almost like another book out of the series because there is so much to read and look at!

Do you really need any more Wimpy Kid in your life? Isn't he nauseating? Just buy them a cat calendar for lord's sake.

My 8yo loves this calendar, it has stickers that he can use to designate special days. He loves the drawings, the claim is that they are new, and they are a big hit and some are truly funny! The boxes are large enough to accommodate his handwriting and that is a huge plus as well!
