great book

Excellent book

This book was very well written with a lot of suspense. It told about John's position as a teacher and the missing of Emily Sue.

John Beiler the school teacher was a widower with a little girl Emma. Josie took care of the little girl while John worked and she thought that she and John were getting closer to being a family. She goes to meet him at school one day and Benji a student was sitting on the school step. James side asked what he was doing and he said he was waiting for his mom. John seemed very secretive about his meeting with Mrs. Crabill behind closed door of the school. Read the book to see what is going on between John a widower and Amanda Crabill a married woman.

Excellent story: this continues the relationship of Josie and schoolteacher John Beiler. John has been acting very secretive and distant. I enjoyed the suspenseful climax as well as the outcome.

Loved it! Great story!

A Desperate Act is a good Amish story and it leaves you wanting to learn more about the characters. It was kinda predictable, but I did enjoy it.

Very good book
