Synopsis

We were not created to just get by with average, unrewarding or unfulfilling lives. God created us to leave our marks on our generations. Every person has seeds of greatness planted within by the Creator. When life weighs upon us, pushing us down, limiting our thinking, labeling us in negative ways, we have what it takes to overcome and rise above into the fullness of our destinies. In his dynamic, inspiring and faith-building new book, **BREAK OUT: Five Ways To Go Beyond Your Barriers and Live an Extraordinary Life**, best-selling author Joel Osteen provides practical steps and encouragement for creating a life without limitations. This book will help readers break out and break free so they can believe bigger, increase their productivity, improve their relationships and accomplish their dreams. Osteen's uplifting message focuses on moving beyond barriers by: Daring to believe that the best will happen for us Adopting an irrepressible "break out" attitude Making room for increase Praying bold prayers Following God's plan beyond our circumstances Filled with faith and inspiration, **BREAK OUT** challenges readers to have a new perspective, to let nothing hold them back, and to reject any labels that might limit them. Osteen inspires and encourages with the message that our first break outs must occur within our own minds: "When you break through in your mind, believing you can rise higher and overcome obstacles, then God will unleash the power within that will enable you to go beyond the ordinary into the extraordinary life you were designed to live."

This book is great but.....I have to say that I love how Joel Osteen preaches and when listening to the narrator, I kind of got frustrated as he doesn't show any emotion whatsoever..... He makes Joel Osteen look as a boring person.....Hope this guy will change the way he reads or Joel Osteen will change the interpreter! :(

Es un excelente libro yo lo tengo , pero compre el audio para escucharlo en mi carro pero la voz del narrador es muy fria no tiene pasion al leer el audio tiene una voz fria...sin entusiasmo como que no viviera el libro. prefiero escuchar a JOEL OSTEEN EN LA VERSION INGLES.

Excelente , lo crees tan pronto terminas de escucharlo Dios se manifiesta de una manera extraordinaria en tu vida

No because I wanted a book, the real book. I don't like to listen CDs I want paper book instead CD
