"Recent world events clearly indicate that our generation has been chosen to witness the prophetic last days of this age. During these troubles times, the Bible tells us, ordinary faith will not be enough and many will be lured from God's truth In his most important book to date, Hal Lindsey shows the way to the one kind of faith tough enough to meet the tough times ahead--Combat Faith. Now, more than ever, we must learn to break the "Faith-barrier" . . . to overcome worry, anxiety, and fear and enter into a new dimension of peace and stability . . . to claim the invincible inner peace that God has promised each of us--no matter what the circumstances. --This text refers to the Paperback edition.

outstanding

This book is awesome! Talk about answering questions and giving Biblical support! Hal Lindsey is very direct and does a superb job of giving historical research and relating it to present day situations. Every chapter is a step to further understanding and builds strength as you progress through the book. I felt very blessed and enabled to fight the battle before me after reading this book. Gods word is there for his people and Mr. Lindsey has definitely been used to bring it into our home. I have purchased several copies and handed them to friends who are going through difficult situations.
