## Customer Reviews

Timothy R. Botts has designed more than 600 books and authored nine in his distinguished twenty-nine year career with Tyndale House Publishers. He began as Staff Artist in 1972 and has been the Senior Art Director since 1990. He has also served as a calligraphy instructor at the College of DuPage since 1975, and his award-winning calligraphic work has appeared in numerous exhibitions. Timothy Botts and his wife have three grown children and reside in Glen Ellyn, Illinois.

Timothy Botts is a great calligrapher & artist who has devoted himself to illustrating Biblical passages. His work plumbs the depths of the scripture passages with which he is working--and also happen to be gorgeous pieces of art. Botts is the art director for a major Christian publisher, which explains how he has managed to get a publisher to spend the big bucks for top-quality paper and printing for his books. We are the beneficiaries of this wonderful collaboration between a gifted artist and a publisher-with-a-vision.

Love this book, however, the book's cover had a big crease down the center .... my only disappointment. Timothy R Botts is an amazing artist and I have framed many of his scriptures so artistically done in calligraphy and watercolor. He also publishes a calendar each year that is exquisite and complete with encouraging scripture and beautiful art.

Another wonderful artistic offering from Tim Botts. I was privileged to take two classes from him while I lived in the Chicago area. We were able to watch him create small pieces of art at the end of every class. What an inspiration! The only downside to this book is that some of the depictions are so complex in color and style that it is difficult to read the passage. But his ability to express the feeling and emotion of the text is unsurpassed.

A lovely book to give as a gift and to keep for yourself. As always, Timothy Botts does a superb job of painting pictures with his beautiful calligraphy. I have several of his books which I have enjoyed over the years. I wish this book were larger so that his work could be shown to better advantage.

Book was in good condition. Like everything Tim Botts does.

I love and have taught calligraphy! Everything Timothy Botts has created is breathtakingly beautiful, and his added descriptions an added pleasure. My favorite hostess gift :-)

My son loves this calligraphy so much that he framed many of the illustrations from the first book. Now he has a second book to put out on the coffee table!

Love all of Mr Botts works.
