I am so grateful to Kevin Sayles for writing this book. As a newbie to Probate Real Estate Investing, the information provided here has formed a solid basis and in-depth knowledge in to the intricate world of Probate. Kevin has shared a wealth of information and is clearly an expert in his field. I thoroughly enjoyed learning all about Living Trusts, Heggstad Orders, Small Probate, Spousal Orders, TOD Deeds, etc. and I truly gained an overall understanding of how Probate works. I feel much more confident about advising future clients and working with attorneys, Estate Representatives, Escrow agents and Title Agents etc. I am tremendously thankful for this content because I searched different sources and could not find anything that was this comprehensive and well written but also covered in detail, many different areas of probate including marketing. This book is AMAZING and comprises what is now my study program and ultimate go-to resource! Kevin has written this book in such a way that actually got me excited about Probate and literally left me eager to learn more!
