Turquoise & Brown Micro-Fiber Bible / Book Cover W/Cross (Medium)

Customer Reviews

I really like this Bible case. I like the colors and the size. I have a Ryrie Study Bible which is apparently a littler larger than many other Bibles. This case fits it just fine with a little room to spare. The only reason I'm not giving it 5 stars is that the zipper tends to "disappear" when the case is completely opened. The zipper pull is never hard to find, just a slight annoyance is all.

Love the product but the picture mislead me. The colour combo is dark turquoise & dark brown and in the picture it shows as bright turquoise & black. If it did look as the pic I'd give it all 5 stars. Would recommend updating the pic to reflect how it ACTUALLY looks (without the flash) as the product is still good! Very roomy & spacious, fits my NIV Study Bible without being too tight. Space for 2 pens & good quality zipper & handle as well! Satisfied and happy with this handy product!

Looks beautiful, my bible fits great and I love the little pockets/pen holders. Bigger than I expected, but that came in handy when I started filling it up with other stuff besides my bible...

I was having a very hard time finding a fashionable cover for my over-sized study Bible. I have been so pleased with this one! I have had it for over a year, and it is holding up nicely. My only complaint, is there really isn't a secure pocket for pens etc. but, I do carry a purse, so that is where the pens go.

Very nice!

I would definitely recommend this bible cover. It has a place for 2 pens and a back pocket. I love using mine!

Bought the large to fit my larger bible, but it's too big. I still use it - I just carry it by the "handle" on the outside like a purse, it works fine!

love this. Fit the Bible and is not crowded. Looks nice and neat. If it holds up it will be a great buy. Looks sturdy enough, will wait and see.
