# Who Is Wayne Gretzky?

## **Synopsis**

After breaking or tying more than 60 records in hockey, it's no wonder that Wayne Gretzky is known as "The Great One". Born in Brantford, Ontario, on January 26, 1961, in a nation obsessed with the sport, he threw himself into the game practically from the time he first laced up a pair of skates. When he retired from the NHL in 1999, he had led several teams to Stanley Cup victories, competed in the Olympics, and changed the way hockey was played forever. Known for his love for family and as a truly decent human being, Wayne Gretzky is revealed as more than a sports legend in this easy-to-understand biography.

## **Customer Reviews**

My 8 year old LOVED this book! He is a hockey super fan and also likes the fun-to-read "Who Is" series. This one is, by far, his favorite (Who Is Jackie Robinson is a close 2nd). They are well-written, interesting books that even I, an adult and former elementary school teacher, enjoy reading with him. There are so many things to stop and talk about if you want to have deeper discussions, and they also do well on their own without any talk. The authors clearly understand how to relate adult figures to younger children. Our only gripe is that there is no "Who is Bobby Orr".

9 year old son loves hockey and hates to read. He read this book in an evening and that is saying a lot. It's a struggle to get him to read anything

ordered this for my nephew for his birthday. he thought it was okay. he's five. but this kid loves

hockey. he eats, sleeps hockey.

Great book for kids (ages 6-10) to learn the basics about Gretzky. Good choice for book reports.

My son loves the book and is a huge fan of Wayne Gretzky to the point of having his hockey jersey the same number as Wayne's.

My son loved this book. Great history for a young hockey player and perfect for a 9 year old working on his reading skills.

My son loves reading and he loved this book so much he did a school report on Wayne Gretzky. He even got his little brother to read it.

Best Mommy/ Son time night reading in a long time. we would read a chapter a night and he would LOVE going to bed to hear more.Followed up with a video documentary on WG and he is in AWE. Loves the "Lady Bing" award!
