Probes qualities of God's character that we don't always think about.

Everyone needs to discover who God is. Dr. Bright is always right on as he explains all His attributes. Easy to read too.

This is an easy to read and informative book. It really expanded my knowledge of who God is and His character. The book builds upon itself and is easy to follow. I would recommend this book for anyone, no matter where they are in their spiritual walk.

It is too bad that this book can no longer be found in Christian Book stores. It provides wonderful insight into who God the Father is. The Trinity is such a hard concept to grasp. Also, I would recommend Bruce & Stan's "God is Amazing" to accompany it, for a good Sunday School series.

I heard an interview of the late Dr. Bill Bright on a Christian radio series. He emphasized the importance of God's character, which is something Christians don't always focus on. I am pleased to have his great perspective on it. I'm proceeding through the book like a devotional.

I am using the book for a Bible study class. I am enjoying reading the book very much.

Must read.

Bill Bright makes the eternal God more knowable through his excellent writing. If you want to love God more, then get this book. You will not be sorry.

Love Bill Bright. A book that is easy to read about the attributes of the living God. Not heavy, for everyone to enjoy.
