Women In The Old Testament

Synopsis

The women in the Old Testament, too long invisible, have rich stories that are vital to the on-going revelation of God's relationship with a covenant people. *Women in the Old Testament* introduces readers to some biblical women. Here, readers meet mothers and wives, queens and slaves, prophets and warriors, powerful women and victims; women whose stories offer us courage and insight. In *Women in the Old Testament* Sister Irene explores not only the lives of such well-known women as Sarah, Deborah, Ruth, Eve, and Naomi, but also those of lesser-known women such as Michal, Tamar, and Jezebel. Each of these women has unique characteristics; each of their stories is food for our imaginations. In addition, Sister Nowell looks at those Bible stories that tell us what it means to be a woman created in the image of God and that portray God in the image of a woman. Biblical stories help us imagine the relationship of God with human beings, and they give us words to describe our own relationship with God. This introduction to the lives of biblical women encourages readers - in adult study groups and those who are interested in the many women in the Old Testament - to search for more accounts of biblical women and also to find the narrative of faith reflected in the stories of their own lives. Sister Irene begins each chapter with suggestions for readings and includes biblical excerpts. Chapters are: *Women of Israel's Beginnings: Sarah and Hagar*;" *"More Women of Israel's Beginnings: Rebekah, Leah and Rachel, The Maids, Dinah, Tamar*;" *"Women of Israel's Passover: The Midwives, Moses' Mother, Pharaoh's Daughter, Miriam, Zipporah*;" *"Women of Israel's Early Tribes: Rahab, Deborah and Jael, Jephthah's Daughter, Samson's Mother, Samson's Wife, Delilah*;" *"More Women of Israel's Early Tribes: Ruth, Naomi, and Orpah, Hannah and Peninnah*;" *"Women of Israel's Monarchy: Michal, Bathsheba, Tamar, Queen of Sheba, Jezebel*;" *"Woman, The Image of God: Eve, Wisdom/Sophia*;" *"Women of Courage and Strength: Judith, Susanna*;" and *"Queen Esther."* A bibliography is also included. Irene Nowell, OSB, is the director of community formation for the Benedictine sisters of Mount St. Scholastica in Atchison, Kansas. She is an experienced college and adult education teacher of Scripture and a workshop and retreat presenter. She is the author of *Sing a New Song: The Psalms in the Sunday Lectionary*, also published by The Liturgical Press. She is also a member of the editorial board for the revised Old Testament of the NAB."

. . . women played important roles in Israel's history from the beginning. If we have not recognized this, it might be because we have failed to read their stories with the interest and understanding that they merit. Dianne Bergant, CSA, Catholic Theological Union

Great book! I enjoyed reading it and teaching it. Pearlie

Excellent insights on Old Testament!

Worked well for my purposes.

Irene Nowell handled the lives of various O.T. women figures in a believable fashion. She wrote of them in the context of the historical periods in which they lived, while revealing their relevance to today's woman and their influence on the faith of all believers today..We used this "book in a series" for Bible Study sessions because it even contains discussion questions at the end of each chapter.

I received this book as a gift. Thinking it would be more of an encyclopedia of Biblical women and a boring read, I set it aside for a while. I couldn't have been more wrong. "Women in the Old Testament" is a fascinating book about the ways in which many women of faith were used by God in a patriarchal society. This book shows how God used women of various backgrounds, lifestyles, ages, skills and experiences to protect His people and fulfill His promises whether in a supportive or major role. Seeing the courage of these women is empowering. Reading their stories gave me a more-rounded Old Testament understanding.

Covered topic well. Helpful. Very informative. Well researched. Was as outlined in listing summary. Recommended to support study groups and courses.
