HEALING AFFIRMATIONS & HARP: Soothing And Scientifically Sound Positive Affirmations For Self-Healing (AWARD-WINNING CD/Booklet) (Relax Into Healing Series)

Synopsis

Created by popular demand, this award-winning, 67-minute Healing Affirmations CD is a compilation of many of the powerful affirmations on Nancy Hopp's other RELAX INTO HEALING titles. Nancy's softly spoken words of encouragement have been likened to a gentle, loving touch -- relaxing, reassuring, reinforcing -- reminding you that you are never, ever alone. And, they're scientifically sound! As thousands of listeners have experienced, the program soothes, inspires, and gently yet powerfully creates a soothing environment and facilitates mind-body-spirit healing. Simply put, affirmations work! And Donna Mast's lovely harp sounds provide the perfect background for these beautifully written and well-delivered positive affirmations. The CD is appropriate for any healing journey, including in home, rehab, or other clinical settings, and can be listened to before, during, and after surgery, chemo and radiation treatments, while washing dishes, falling asleep... in any situation in which physical, emotional or spiritual healing is needed. Skillfully incorporating healing guided imagery (healing visualization) and presenting a variety of affirmation statements, Nancy masterfully weaves a tapestry, enhancing any healing journey and lovingly assisting you in:

- * Experience a greater sense of emotional well-being
- * Find relief during chronic pain management
- * Be comforted during times of loss or grieving
- * Re-awaken your sense of inner knowing...and much, much more!

The power of positive healing affirmations combined with guided healing visualization for holistic mind-body healing cannot be overstated.
