The Discerning Of Spirits

Synopsis

The gift of discerning of spirits is a powerful weapon in the Christianâ™s arsenal! When God calls us into ministry, He equips us. God has called all of us into spiritual warfare and spiritual battle. His Church will be a militant Church, and the âœgates of hell shall not prevail against her.â • The weapons God supplies us with are not carnal or fleshly weapons, but spiritual ones, they are âœmighty through God to the pulling down of strong holds.â • We are equipped by God for spiritual warfare through the gifts of the Holy Spirit mentioned in 1 Corinthians 12. God has said that these are the channels through which His power will flow, the avenues through which His Holy Spirit will operate. Chief among these gifts for the ministry of deliverance is the gift of discerning of spirits. We must rely upon the Holy Spirit for the ministry of deliverance and nothing else, not the arm of the flesh or the voice of demons. Frank Hammond explains the application of this gift to the believer, and provides examples of how it has worked in his own ministry. He concludes with a prayer of impartation for the reader to receive this gift and the gifts of knowledge, wisdom and faith.
