This calendar makes me laugh each time I flip to a new month. I love yoga, and I love cats...a match made in heaven! Details: pages are high-quality, the boxes are large enough to write in, etc.

Definitely a great calendar!

adorable calendar, I love the Yoga cats, I order this calendar every year, the cats are cute, and there is enough room to write on each day of the week.

I've been buying this calendar for several years. In addition to the extremely cute photos (which must be Photoshopped -- no cat I know could get into these positions), the months and days are very easy to read.

We order these Yoga Cats calendars every year and get a laugh each day. Each month is a different cat in a different yoga pose with a funny caption explaining what each pose is and what it does, such as "increases energy". Even if you don't do Yoga, any cat lover will get a kick out of this calendar. See pics of the months.

I have been using Yeouth products (the full set) for the last 2 years and I am really sytisfied with the results. I am 57 years fair skin and I have to say that you do not need to spend more money in your daily skin care routine. Just add a high sunscreen on top to protect your skin. GeneviÃ“ve

My friend, who loves yoga AND cats, just flipped over this. It's too too cute.

Obviously. It's cats doing yoga poses. it's amazing. you should get it!

Having lived with many cats, I find these photos quite believable. They're also funny! I recommend this for any cat lovers anywhere. Great gift too!
