Love this devotional bible reading plan. Each day is filled with a treasure of a God's word. We have read it as a family devotional and as well as personal devotional for my two teens. They both love it :)

Excellant! Recommended!

Looked at numerous other devotionals and this just looked to be the one. Relevent chapter readings and simple to understand without being simplistic.

Just as described, great value

My 15 year old son loves this and reads it daily. It is well written and it pertains well to his daily life.

The book itself is great, but not exactly what I was looking for....I wanted something that would really give my middle school kids something to think about or reflect on every day.

This is an easy, informative help to better understand the bible. I appreciate it even more in tandem with the Once a Day Bible for Teens.

The devotional book is suitable for beginning a middle school or high school class. Each day's devotion is brief and to the point. CB
