The Templars: The Rise And Spectacular Fall Of God's Holy Warriors

Synopsis

Jerusalem, 1119: A small group of knights seeking a purpose in the violent aftermath of the First Crusade decides to set up a new order. These are the first Knights of Templar, a band of elite warriors prepared to give their lives to protect Christian pilgrims to the Holy Land. Over the next 200 years, the Templars would become the most powerful religious order of the medieval world. Their legend has inspired fervent speculation ever since. But who were they and what actually happened? In this groundbreaking narrative history, the best-selling author of *The Plantagenets* tells the true story of the Templars for the first time in a generation, drawing on extensive original sources to build a gripping account of these Christian holy warriors whose heroism and depravity have so often been shrouded in myth. The Templars were protected by the pope and sworn to strict vows of celibacy. They fought the forces of Islam in hand-to-hand combat on the sunbaked hills where Jesus lived and died. They found their nemesis in Saladin, who vowed to drive all Christians from the lands of Islam. They were experts at channeling money across borders. They established the medieval world's first global bank and waged private wars against anyone who threatened their interests. Then, in 1307, as they struggled to secure their last strongholds in the Kingdom of Jerusalem, the Templars fell afoul of the vindictive and impulsive king of France. On Friday, October 13, hundreds of brothers were arrested en masse, imprisoned, tortured, and disbanded amid accusations of lurid sexual misconduct and heresy. They were tried by the Vatican in secret proceedings. But were they heretics or victims of a ruthlessly repressive state? Dan Jones goes back to the sources to bring their dramatic tale, so relevant to our own times, to life in an audiobook that is at once authoritative and compulsively listenable.

Book Information

Audible Audio Edition

Listening Length: 15 hours

Program Type: Audiobook

Version: Unabridged

Publisher: Penguin Audio

Scheduled Audible.com Release Date: September 19, 2017

Language: English
